Government Printing Office  
Washington, D.C. 20402  
Stock Number 051-000-00171-1  
Available in microfilm  
from University Microfilms International, Inc.

## PAPER REVIEW INFORMATION

All scientific papers submitted to the Journal of Rehabilitation R&D are reviewed by at least three (and usually more) reviewers. These may be members of the Editorial Board, ad hoc reviewers, or from both categories. Results of reviews are communicated to the senior author without disclosing the identities of the reviewers. (Reviewers are not provided with names of the authors or their institutions, etc.) The editorial staff may also make suggestions and offer comments to authors.

## INDEXING OF ARTICLES

The Journal of Rehabilitation R&D is indexed by:

- Engineering Index (Bioengineering Abstracts)
- Excerpta Medica
- Index Medicus
- The BLDIC System (French)
- Index to U.S. Government Periodicals (Infodata Int., Inc.)

Veterans Administration
