

## Thank you to Dr. Paul R. Meyer Jr

---

Upon his resignation from the Board, we want to thank Dr. Paul R. Meyer Jr for his service to *JRRD* and the broader research community. Dr. Meyer has worked with Department of Veterans Affairs research for more than 40 years in the field of orthopedic surgery and has served on *JRRD*'s Editorial and Scientific Advisory Boards for 21 years. Throughout his long service, Dr. Meyer contributed significantly to the journal's quality, scientific rigor, and prominence.

We have enjoyed working with Dr. Meyer and learning from his expertise. He will be sincerely missed. We are grateful for his dedication to Veterans Health Administration programs and his service to our nation's veterans. We wish him happiness and good luck in his future endeavors.
