

Journal of Rehabilitation Research and Development

Rehabilitation R & D Progress Reports 1990

XIV. Sensory Aids

- A. Hearing Impairment
- B. Speech Impairment
- C. Vision Impairment
- D. Deaf-Blind

Due to an error in publishing, pages 473 through 390 are missing from this collection. If anyone has this issue, with all of these pages intact, and would be willing to lend it to the Journal of Rehabilitation Research and Development for a short time, the Journal would greatly appreciate the act and will reward the individual.
