PAPER REVIEW INFORMATION

All scientific papers submitted to the Journal of Rehabilitation R&D are reviewed by at least three (and usually more) reviewers. These may be members of the Editorial Board, ad hoc reviewers, or from both categories. Results of reviews are communicated to the senior author without disclosing the identities of the reviewers. (Reviewers are not provided with names of the authors or their institutions, etc.) The editorial staff may also make suggestions and offer comments to authors.

INDEXING OF ARTICLES

The Journal of Rehabilitation R&D is indexed by:

- Engineering Index (Bio-engineering Abstracts)
- Excerpta Medica
- Index Medicus
- The BLDOC System (French)
